## Academic Standards Committee - Friday 29 May 2009

Follow-Up Report from the Programme Approval Group for  
the Faculties of Education, Medicine and Veterinary Medicine

Mr J Craig, Senate Office

In its initial report to ASC, the Programme Approval Group (PAG) recommended approval of the following proposals subject to conditions which have now been met. The Group therefore recommends that these new and amended programmes be approved.

*Faculty of Education*

MSc Community Development	New
---------------------------	-----

*Faculty of Medicine*

MRes Translational Medicine	New
MSc (Med Sci) Cardiovascular Sciences	New
MSc (Med Sci) Forensic Toxicology	New
Postgraduate Diploma in Primary Care	New
MSc (Med Sci) Human Nutrition	Change
MSc (Med Sci) Health Profession Education	New

In respect of the following proposals - recommended provisionally by the PAG to the Committee - evidence has not yet been received that the PAG's conditions for approval have been met. Once the PAG is satisfied with these proposals they will be submitted for consideration under summer powers.

*Faculty of Education*

MLitt English Language Studies	Change
--------------------------------	--------

*Faculties of Medicine*

MSc (Med Sci) Behavioural Sleep Medicine	New
Postgraduate Certificate in Healthcare Chaplaincy	New
MSc (Med Sci) Sport & Exercise Medicine (Distance Learning)	New
